

Best Practice: High Impact Strategies for Teachers

For further information regarding session dates, times and costs please contact The Teaching School Office (details can be found at the bottom of this flyer).

Aim

Best Practice: High Impact Strategies for Teachers will enable teachers in all phases to further develop, improve and embed essential teaching skills and strategies in order to consistently deliver highly effective lessons.

Programme Outline

Session 1: Creating a culture of excellence in my lessons

Session 2: Effective questioning and feedback in my lessons

Session 3: Stretching and challenging the more able

These Best Practice sessions will be led and facilitated by one or more experienced National, Local and Specialist Leaders of Education with a proven track record of impact and excellence.

Each session will support delegates to develop the embedding of pedagogy and assessment practice. Additional learning opportunities can be provided for teachers to collaborate and develop high impact models across the partnership as well as to observe best practice in a range of different contexts.

These afternoon professional learning events will take place in a National Teaching School facility.
