

Building the long-term progress of disadvantaged pupils

For further information regarding session dates, times and costs please contact The Teaching School Office
(details can be found at the bottom of this flyer).

Objective

'Building the long-term progress of disadvantaged pupils' is a course aimed at providing evidence based strategies to enable disadvantaged pupils to make sustainable progress and eliminate any gaps.

Content

Morning Session

- National and international picture—latest research. How schools can make a difference. Pupil Premium planning for success—evidence of best practice, with case studies.
- Quality First Teaching—effective strategies to engage and motivate disadvantaged pupils. The role of the classroom teacher and Heads of Department.
- Building good study skills of disadvantaged pupils at school and at home.

Afternoon Session

- Physical and emotional well being of disadvantaged pupils. Enhancing their attendance, motivation and strengthening parental/carers' support.
- On line personalised e/learner plans and tracking PP progress, using Edmodo.
- Review of day. Building an inclusive culture of success.

Objective

Delegates will be given a mini tool box of ideas and resources to support Pupil Premium planning back in school and will be offered access to long-term support in their implementation.
